1 Amend House File 394 as follows:

2 1. Page 7, after line 13 by inserting:

3 <Sec. _____. NEW SECTION. 321N.11A Motor vehicle
4 safety inspection required.

5 A transportation network company shall have a
6 mechanic certified by the national institute for
7 automotive service excellence or other nationally
8 recognized certifying organization conduct a safety
9 inspection of a person's motor vehicle before the
10 person may act as a transportation network company
11 driver on the company's digital network or software
12 application service for the first time. Thereafter,
13 for as long as the person continues to act as a
14 transportation network company driver on the company's
15 digital network or software application service, the
16 company shall have a mechanic certified by the national
17 institute for automotive service excellence or other
18 nationally recognized certifying organization conduct
19 a safety inspection of the person's motor vehicle at
20 least once per year. A motor vehicle that does not
21 pass a safety inspection required by this section shall
22 not be used to provide transportation network company
23 services.>

24 2. By renumbering as necessary.
